

Ref. ABR-102

Charcoal grey ultra-fine non-woven abrasive pad

Ultra-fine non-woven pad for keying before painting, without the drawbacks of steel wool.

Ultra-fine silicon carbide non-woven abrasive pad that replaces steel wool without shedding. Use it for keying before paint and primer, cleaning, finishing, blending and deburring. Pre-cut, it splits into two smaller pads and can be rinsed and reused.

Technical specifications

Size	6 × 9 in
