

Ref. ABR-105

Hook-and-loop hand sanding block

A flexible, comfortable block for even sanding of primers and curved panels.

Hand sanding block in flexible but durable foam, easy to hold, that still lets you feel the primed surface. It keeps the abrasive in even contact for blocking and block sanding around body lines. The abrasive stays put without slipping and comes off easily. Three lengths, up to 400 mm for blocking large panels.

Technical specifications

Dimensions	66 × 122 mm, 70 × 198 mm, 67 × 400 mm
Material	Flexible foam
