

Ref. ABR-112

Dry sanding paper disc – standard grade

The all-round paper disc for preparation before painting, from rough sanding to finishing.

Paper-backed abrasive disc for orbital and random orbital sanders, used dry. It covers the bodywork preparation stages: sanding bare metal before painting, OEM finish repairs and feather-edging. Available in 5 and 6 in, with dust-extraction holes.

Technical specifications

Diameter	5 in (6 holes) or 6 in (9 holes)
Grits	P60, P80, P120, P180, P240, P320, P400, P500, etc.
