

**Ref. MEL-107**

## Disposable spray gun cup system

Disposable cup with soft liner: less cleaning, more time in the booth.

Disposable cup system made up of a rigid outer cup, a collar, soft liners and filter lids. The PE liner and PP lid are thrown away after use, which cuts down on gun cleaning and thinner consumption. Three capacities: 400, 600 and 800 ml.

### Technical specifications

|                |                        |
