

Ref. MSQ-115

Pre-taped kraft masking paper with washi tape

Kraft paper and washi tape already combined: faster masking, residue-free removal.

Kraft masking paper with a green washi tape already attached. It removes cleanly, with no residue, up to 14 days after application. The paper blocks paint spatter and the washi tape withstands 100 °C. It makes masking small and large areas much faster than applying paper and tape separately.
