

Ref. PRE-101

Cotton gauze tack cloth

The last step before painting: a surface free of dust and smears.

Tack cloth in 100% cotton gauze impregnated with a very lightly tacky water-based adhesive. It picks up dust, lint and sanding residue before painting, without leaving marks on the surface or adhesive on your hands.

Technical specifications

Material	100% cotton gauze
Impregnation	Water-based adhesive
Colours	White, Yellow

How to use

- Final dust removal from the bodywork just before application
- Removing sanding residue and lint
